**EN**

Add dose per 10 litres of water and apply with every watering.
pH: 5.5 - 6.5
All stated doses are indications and depend on the condition of the plant.

*Use Vita Race once a week as a spray only.

This Grow Schedule is designed for different types of flower and fruit bearing plants, starting with a young plant like a rooted cutting or a week- old seedling. The duration of the mentioned period is depending on the type of plant.
